ASSISTANCE FROM OTHER SOURCES

In order to help the greatest number of parents who need financial assistance, all those who apply for a grant from the school are asked first to enquire if they are eligible for assistance from any other source.

Please state whether you have applied to trusts or foundations for a grant, and if so to which and with what result.

12. CHANGE OF CIRCUMSTANCES OR THOSE ALREADY ON A CURRENT YEAR ASSESSMENT

Although the parental contribution to fees for school year 2011/2012 will normally be assessed by reference to relevant income in the preceding financial year (2010/2011), there is provision in cases of hardship (i.e. if relevant income in 2011/2012 is likely to be significantly lower than in 2010/2011 owing to, for instance, one of the parents having died, retired or become unemployed) for the parental contribution to be calculated on the basis of current income. If it appears that a current year assessment may be appropriate, parents should complete this section and supply relevant documentary evidence to substantiate the change of circumstances with current payslips if applicable.

The School should also be advised of other likely changes in family circumstances, e.g. changed numbers of dependants, impending separation or divorce of parents.

Once a current year assessment has been granted, all subsequent assessments of relevant income must be calculated on the same basis.

If the income of the parents or dependent children is likely to be significantly lower in 2011/2012 than the amounts shown in previous sections, please complete the following estimate of income:

2. PARENTS/APPLICANTS

These are defined as:

- the natural father and mother of the child where they live together (whether or not they are married to each other) and the child normally resides with them both in the same household; or
- the parent of the child with whom the child normally resides and the partner (if any) of that parent where the partner normally resides with that parent and the child in the same household; or
- the child's guardian appointed in accordance with section 5 of the Children Act 1989 (or any earlier enactment) and the partner (if any) of that guardian where the partner normally resides with that guardian and the child in the same household; or
- the person with whom the child resides in accordance with either:
 - i. a subsisting residence order made under section 8 of the Children Act 1989; or
 - ii. any subsisting court order (other than a residence order) which specifies who is to have actual custody or care and control of the child; or
- where a pupil either has no parents as defined above or the school is satisfied that no such parents can be found, and he is either looked after by a local authority or provided with accommodation within the meaning of section 105(1) of the Children Act 1989, the pupil shall be treated as one whose parents have no income for the purposes of the scheme; or
- where none of the above applies, the parent is the person with whom the pupil normally resides in accordance with any informal care or fostering arrangement and that person's partner (if any) where the partner normally resides with that person and the pupil in the same household.
- If parents are separated or divorced before or while their child attends the School, both mother and father will be required to complete and sign the Application Form.

3. INCOME

- a) The gross annual amount of salaries and wages, including any earnings from profit related pay, part-time employment and any sum received as bonus, commission etc, statutory sick pay, statutory maternity pay giving GROSS amounts (before deduction of tax, NI, superannuation, etc) for the current or latest financial year. Taxable benefits in kind agreed with the Inland Revenue should also be shown (free or subsidised housing, meals, petrol, cars, etc) – at the amount agreed for taxable purposes.
- b) Profits from a business or profession – at the amount of GROSS income agreed by HMIT or relevant tax authority for the year in question (deductions should be made only in respect of capital allowances, losses and stock relief). Copies of the latest set of accounts should be included.
- d) All other Investment income (eg interest or National Savings Bank deposits; dividends, annuities etc) should be entered GROSS of tax. If tax was deducted at source, parents should add in the amount of tax paid or tax credit notified. Building Society interest must be disclosed GROSS.
- f) All social security benefits received should be declared and type of benefit specified.
- g) Court Orders, Legal Separation Agreements and Voluntary Arrangements for School Fees – Where a parent is required by a Court Order, or a legal binding separation agreement (eg Deed of Separation) to pay part of the School fees, then only that part of the fee which is not covered by the Court Order/agreement will be used to calculate any grant to be awarded. This is irrespective of whether or not the order or agreement is being complied with. Where the whole amount of the fees are required to be paid by virtue of a Court Order or separation agreement, applicants are not eligible for a grant. You should indicate how many years are payable and any annual variations. All receipts relating to maintenance payments, separation allowances and sums in respect of Child Support maintenance must be declared.
- i) Include free benefits in kind agreed by Inland Revenue as not subject to tax, eg representative occupation of house, free meals.

- g) (iii) Members of HM Forces and Diplomatic Service should include the amount of any Education Allowances which they receive. Parents in other occupations should include any similar sum
- (iv) Insurance Policies for School Fees – If any insurance policy for the payment of School fees exists, then the amount declared is the amount receivable under the policy for the academic year for which the application is being made. If the insurance policy covers the full cost of the tuition fees, then the pupil is not eligible for a grant. The types of policy concerned are those which stipulate that the company shall pay the school fees, in whole or in part, to the school in respect of the pupil.
- (v) Where a Trust Deed has been drawn in favour of the child for whom you are applying, details of the annual amount available and the date of commencement of payment under the Deed should be given.
