

# Bolton School Nursery Autumn Term Newsletter

Welcome to all the new families who have started with us at nursery, we hope you thoroughly enjoy your journey with us at BSN.

We have had a busy summer here at nursery and we have been working on changing the environments for the children, transitions to new rooms and going digital.....

Don't forget our Nursery Telephone Number has changed to 01204 434732

**Parents Forum next meeting..... Wednesday 11<sup>th</sup> October 6.00pm-7.00pm Please come and join us if you can!**

We are extremely pleased to announce that we have passed the 'Millie's Mark' Award for Paediatric First Aid! The team have worked really hard and 100% of our team are first aid trained. Well done everyone! For more info please visit [www.milliesmark.com](http://www.milliesmark.com)

After lots of conversations with parents and families about communication, we have designed our very own 'Parents App' to communicate with our families. On here will be events, letters, questionnaires, and much more, gone are 'losing the letters' days! We are really excited to have this up and running over the next month.

**Watch out for your letter giving instructions how to register!**

We have also trialled going digital with the children's learning journeys with an App called Kinderley, so you, as parents, can access from your phones. The staff are really happy with it, so watch this space for more information!

**Please see overleaf for the Diary Dates for the Autumn Term.....**
