The document illustrates the process of backing up a video using the Video Slimmer app on an iPad. It is divided into four numbered steps:

- Step 1:** Shows the iPad home screen with the Video Slimmer app icon highlighted by a red box.
- Step 2:** Shows the Video Slimmer app interface for a video named IMG0010.mp4. A red box highlights the share icon in the top right corner. A progress bar at the bottom indicates that 35.9% of the video has been saved. The statistics are: Original: 1.42 MB, Slimmed: 929.19 KB, Saved: 520.33 KB.
- Step 3:** Shows the 'Open in...' menu that appears after tapping the share icon. The 'Open in...' option is highlighted with a red box.
- Step 4:** Shows the sharing options menu. The 'Open in Dropbox' option is highlighted with a red box. Other options include iDoceo, OneDrive, and OneNote.
