

BOLTON SCHOOL

Volunteer Opportunities

BSS Leisure Services have exciting volunteer opportunities available for individuals looking to assist with running children's activities within the local community.

If you have a keen interest in Children's Activities, Sports & Leisure, then we have flexible hours available for you.

Volunteers would be welcome to assist in the quality delivery of children's parties, general administration duties and holiday camps such as sports, football, outdoor adventure and stage.

The ability to work as part of a team and strong communication skills are essential. An existing skill set and knowledge base within the Leisure Industry would be desirable.

If you enjoy a challenge and find it rewarding to spend your spare time helping within the local community, please do not hesitate to get in touch with Charlene Jackson, Leisure Services Manager;

Email: cjackson@bssleisure.com or Telephone: 01204 434797

All volunteers must be over 18 years old and will be required to undergo a DBS check, two references will also be requested.

Bolton School is committed to safeguarding and promoting the welfare of children and to equality and diversity in all aspects of recruitment and employment. Volunteers will be required to undertake an Enhanced Criminal Records Check for Regulated Activity.

Chorley New Road, Bolton BL1 4PA
