

Bolton School Plant sale 2019

*The mornings are lighter, the evenings longer, Spring must be around the corner.
Why not think about some readymade colour for the garden?
Hanging baskets, cascading patio pots, colourful plants or salad vegetables?*

The Bolton School plant sale is a well-established service offered to parents and friends of the wider Bolton School community each spring. We would love this year's sale to be bigger than ever, with easy ordering and efficient payments via online banking. We offer either direct payment into our bank account or we will still accept cheques/cash if you prefer.

We offer top quality plants – they are hardy, colourful and long lasting. We have a brilliant relationship with a local nursery who provide a wide range of bedding plants, hanging baskets, cascading pots and vegetables at discounted prices. Our plants represent excellent value for money!

Please place your order via the attached form for collection from school on Saturday 11 May. Orders can be e-mailed back to us at bsbdpa@gmail.com or left at the main school reception (if you could provide us with an e-mail address that would be very helpful). A mobile telephone number is essential as it will allow us to text you on the day when your order is ready for collection.

Orders must be received in school before the end of term, Friday 5 April. Note that if you do not receive a confirmation from us by the start of the summer term you should contact one of us as your order may not have reached us.

If you have any specific questions, please contact Amanda Valentine on 07774 601869.

Regretfully, late orders cannot be accepted nor can orders be collected without payment.

Thank you for your support

***** REMINDER *****

Plant orders to be submitted by Friday 5 April
