

Application Form for School Coach Travel

Places on school routes are arranged and allocated on a termly basis. Payment for transport is requested in advance via the Clerk & Treasurer's Office, at the beginning of each term.

Please note, one full term's notice of withdrawal is required if you wish to cancel transport arrangements made with School.

It is School's policy that in the rare situation where demand for places exceeds those available, preference is given to younger and long distance travellers.

Please tick the coach route you would like your child to travel on and state the Boarding & Alighting points in the space provided. Please refer to the Entry Form Booklet for route details.
