

BSSL Complaints Procedure (Kidzone)

If you have a complaint

We really want to hear from you. We welcome your comments, as they give us the opportunity to put things right and improve our service.

Stage 1 - Informal

If you wish to make a complaint it is best to talk to a member of staff first either in person or by telephone. It will be the quickest way for us to respond and look into the problem. The object of this first stage is to resolve problems quickly, simply and fairly with the minimum formality. The person contacted will provide you with **an informal but informed response, normally within three working days** of your initial approach **or s/he will tell you that his/her investigations are still ongoing and will require a further, stated amount of time, no longer than 10 working days**. In some cases, s/he will tell you that s/he has passed the concerns on to somebody more senior.

Stage 2 - Formal

If you are unhappy with our response you have the right to complain to the Kidzone Manager who will **acknowledge receipt within 3 working days** and, thereafter, will consider the matter and decide upon the most appropriate course of action to take once all the relevant facts so far have been confirmed. In most cases, the person resolving the written complaint will meet/speak to you, **normally within 14 working days** of receiving the complaint.

Once the Kidzone Manager is satisfied that, so far as is practicable, all of the relevant facts have been established, a decision will be made and **you will be informed of this decision in writing, within 28 working days of receipt of the formal complaint**. The Kidzone Manager will also give reasons for their decision.

Stage 3 – Final Stage

However, if you are still dissatisfied after allowing the Kidzone Manager the opportunity to deal with your complaint you should contact the Services Bursar, in writing, explaining why you are dissatisfied with the Kidzone Manager's response. This should be received by the Services Bursar within 5 working days of the response from the Kidzone Manager.

Only in exceptional cases will the Services Bursar consider any complaint that has not been through the earlier stages.

If the Services Bursar comes to the conclusion that the complaint has been fairly settled at an earlier stage, or that the complaint is lacking in merit or substance, the Services Bursar may dismiss the complaint and advise the complainant of the reasons for the decision. The Services Bursar will respond **within 14 working days**, with as full a response as possible.

If the Services Bursar comes to the conclusion that there is substance to the complaint, the Services Bursar will decide on the relevant response in relation to the nature of the complaint. The Services Bursar will respond in writing to a letter of complaint **within 28 working days**, with as full a response as possible.

For Commercial Bookings Only

Once we have the full details of your complaint our promise is that we will normally take no more than **28 working days** to respond fully to your issue.

However, there may be occasions when we require additional information or responses from you to complete our investigation. In this instance we will allow a further **10 working days** for your response.
