

Provision of Policies and Information for Parents and Prospective Parents

The Aims and Ethos of Bolton School

Bolton School seeks to realise the potential of each pupil. We provide challenge, encourage initiative, promote teamwork and develop leadership capabilities. It is our aim that students leave the School as self-confident young people equipped with the knowledge, skills and attributes that will allow them to lead a happy and fulfilled life and to make a difference for good in the wider community.

We do this through offering:

- A rich and stimulating educational experience which encompasses academic, extracurricular and social activities.
- A supportive and industrious learning environment for pupils selected on academic potential, irrespective of means and background.
