

SCOTT BOLTON TRUST

Application for discretionary funding towards the Duke of Edinburgh Award (Silver & Gold)

Academic Year: 2023/2024

Travel grants are available to Bolton School students and alumni, courtesy of the Scott Bolton Trust. Participants need to be aged from 16 to 22 years when they undertake their expedition.

Typically pupils work towards their DofE Silver Award in Year 11 and the Gold Award during the Sixth Form. Funding is available to pupils who are 15 years of age or over if participating in the Duke of Edinburgh award from the Scott Bolton Trust. An award of £50 is available towards the overall cost of the expedition section of the Award.

If you would like to apply for this individual funding, please complete your details below and return to Mrs D Hardman, A37, Boys' Division. Alternatively you may email your application through to DHardman@boltonschool.org.uk
